

Happenings at the Memorial

May 2019

Coming this summer.....

Watch for our new updated website featuring Post 480 News, Memorial photos and additional veteran biographies.

A Busy Year...

WVMFF Board Secretary Janice Peterson reports multiple visitors every day at the Memorial. Bikers, hikers, snowmobilers, motorcyclists, cars full of visitors are viewing the site. We are pleased to share such a meaningful space for you to spend time to recall and remember.

Healing Patriots are coming again.....

The Healing Patriots Second Annual visit to Presque Isle for opening day fishing with professional guides on the local lakes. This year they will be treated to a parade and a grand welcome at the Legion Post as well as a visit to the Memorial followed by a Pizza Party. Approximately 30 guests including the support personnel will be our guests.

New Enshrinements.....

Interest in enshrining veterans continues. In May twelve (12) more veterans will be enshrined, and a waiting list has begun for the next etching event. 466 vets are now remembered on the Honor Wall.

Enshrine a Veteran Friend or Family Member....

For an application [click here](#)

Or call 715-686-2517

Or stop at the Memorial Kiosk for an application form.

Going Forward, A Living Monument...

The Memorial is not intended to be "just a granite monument". Events are ongoing, celebrating our veterans' lives and their contribution to our Country. We encourage you to watch for and attend military programs. You are cordially invited to use the site for veterans' activities including reunions, services and memorials for all your military loved ones.

An Endowment...

has been established to finance programs as well as to provide for permanent maintenance such as flag replacement, landscape upkeep and utilities. Donations

continue to be needed for this fund. Please help us reach the goal of \$200,000. We are currently halfway!

Our Work Continues.....

The Foundation continues to provide services to the Memorial:

- We maintain this website which includes a Virtual Honor Wall matching the Granite Honor Wall and includes additional information and a photo of each veteran. The ongoing project continues to receive and process the stories.
- We gratefully accept and process donations of all amounts.
- We participate in ongoing events at the Memorial.
- We monitor the site for maintenance issues and upkeep.

Cash Donation of Any Amount Accepted or ...[click here](#)

Bronze level: \$1,000-1,999

Silver level: \$2,000-4,999

Gold level: \$5,000-9,999
